

**MEDICAL  
TECHNOLOGY**

**Roche Diagnostics GmbH /  
Mannheim**

**RKT GmbH /  
Roding**

**URC 2 "Redesign"  
Reagent Container for Blood  
analysis laboratories**

**URC 3  
"New Production line A"  
Reagent Container for  
Blood analysis laboratories**

**NF+  
3x Plastic Parts for  
Insulin Pen**

**Project  
Management  
URC2  
redesign**

**Creation of  
specifications  
for the  
production  
plant Reagent  
container cpl.**

**Project Management /  
Project Coordination**

**Product Care**

**Design &  
process  
optimization  
& new tools**

- Injection molding system
- Injection molding tools
- Production system transfer
- Stacking station
- Laser welding station
- EOL station
- Packaging station

**Accompaniment of supplier  
inquiry & supplier allocation  
process**

- Injection molding system
- Injection molding tools(128x)
- Handling automation
- EOL test station
- New production plant

**Accompaniment of  
supplier inquiry &  
supplier allocation  
process**
